ARTICLE 3: 2018 PROPOSED ZONING ORDINANCE CHANGES

To see how the Town will vote by official ballot on the proposed amendments, as recommended by the Planning Board, to the Town Zoning Ordinance as follows:

Check YES or NO by marking an (X) in appropriate box.

Amendment 1. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Holderness Zoning Ordinance as follows: **Update the Definition of Expansion for Structures to read: "For structures, any increase in height, width, length, or usable living space, above or below ground. This includes, but is not limited to, porches, decks, roof overhangs, patios, dormers and basements/cellars?"**

130 Yes ☐ No ☐ 41

Amendment 2. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Holderness Zoning Ordinance as follows: **Update the Definition of Living Space to read: "This includes any area measured in square feet, or any space measured in cubic feet, that is enclosed space used for indoor living or storage. This includes dormers and lofts, and any open space regardless of ceiling height. This does not include crawl spaces and screened-in porches (porches not enclosed with windows)?"**

136 Yes ☐ No ☐ 38

Amendment 3. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Holderness Zoning Ordinance as follows: **Update Section 700.2 which deals with Nonconforming Structures to read:**

"700.2: Structures: Any structure existing at the time of the original passage of this Ordinance, March 1985, or which has been legally constructed since, but is now non-conforming to the requirements of this Ordinance shall have the right to continue indefinitely.

700.2.1: Nonconforming buildings or structures may be repaired, improved, or expanded, provided:

700.2.1.1: No alteration shall increase the nonconformity according to the requirements of this Ordinance, including use regulations, and all dimensional and area requirements.

700.2.1.2: Specifically for an existing setback nonconformity, any reconstruction must be completed within the existing footprint and no expansion of any kind shall occur within that part of the structure that is in the setback.

700.2.1.3: For the purpose of snow load management adding a pitched roof or increasing the slope of an existing roof will not be considered an expansion provided it does not increase any living or storage space. 700.2.1.4: A nonconforming structure which has been destroyed or partially destroyed, or has been purposely demolished, may be reconstructed as long as the pre-existing nonconformity is not increased. Provisions of Section 700.2.1.1, 700.2.1.2 and 700.2.1.3 apply. Reconstruction must be completed within two years of the destruction or demolition date. If the reconstruction is not completed (fully enclosed) within two years of the destruction or demolition date any new structure must be built conforming to the standards in this ordinance?"
